STABAT MATER TO BE THE MUSICAL EVENT

The Carmel Music Society is attracting attention throughout the state for its spectacular production of Rossini's "Stabat Mater," which it is presenting next Thursday evening, March 29, in the Sunset School auditorium, Carmel, and on Friday evening, March 30, in the Pacific Grove high school auditorium. The work was written by Rossini in 1832 for full orchestra, chorus and soloists, and will be presented in its complete form, Michel Penha conducting.

The soloists, secured from outside points are professionals of wide opera and oratorio experience, and they will add much to the production. Marie Wallman, of Oakland, will sing first soprano; Calista Rogers of Pasadena, second soprano; G. Marston Haddock, San Francisco, tenor; Henri Schefoff, San Francisco, bass.

The program is as follows:

Music from Wagner's "Parsival," for full orcherstra. Rossini's Stabat Mater.

I. Orchestral prelude, short and very brilliant, in opera style. Followed by opening chorus, "Stabat Mater dolorosa," for solos and chorus.

II. Tenor solo sung by G. Marston Haddock, "Cujus Animam," of swinging melody, almost joyful in character, without ornament.

III. Duet for two sopranos, sung by Marie Wallman and Calista Rogers, "Quis est Homo," Beautiful melody sung first by one, then by the other, then both, with operatic cadenzas.

1V. Bass aria, sung by Henri Schefoff, "Pro peccatis," in church style.

V. Bass recitative with chorus, "Ela Mater."

VI. Quartet by soloists, "Sancta Mater."

VII. Cavatina, second soprano VIII. Soprano solo, "Inflammatus," brilliant operatic aria with orchestral and choral accompaniment. Requires vice of great power and range. Sung by Marie Wellman.

IX. Quartet, unaccompanied, for soloists, "Cuando Corpus."

X. Grand Fugue and Finale, for orchestra, chorus and soloists, "To Him Be the Glory Evermore."

POLITICAL POT BOILED OVER AT LAST MINUTE

Whereas only three candidates were required to fill the vacancies on the City Council, at the last minute the political pot boiled over and five have announced that they will seek the office.

J. A. Burge and F. P. Howard first announced, and on Tuesday, the last day for filing before the April 9th election, Johnnie Neikirk, Bernard Rowntree and J. H. Thoburn entered the ring.

Mr. Thoburn after much persuasion on the part of many friends, consented just in time for the papers to be filed.

Carmel will not lose regardless of what three of the five are elected. Each one has expressed himself as desirous of keeping Carmel distinctive. All are business men who know that Carmel's future depends on keeping the little city as nature has made it.

Following is a list of sponsors:

For Bernard Rowntree, for full term: Mary S. Sutton, Paul W. Funchess, Clara N. Kellogg, Ellen M. Kellogg, Vera Peck Millis, B. W. Adams, Hazel Watrous, James T. Williams, F. R. Bechdolt, Don L. Staniford.

John Herschel Neikirk, for full term. Everett Smith, Emma Rendtorff, Robert L. Anderson, L. H. Levinson, Hazel Watrous, Paul C. Prince, James L. Cockburn.

For Frederick Paxton Howard for full term: Grant Wills, F. L. Cole, J. Leslie Doulton, George P. Ross, Carl J. Kohr, Wm. P. Silva, A. W. Wheldon, H. L. Clement, Miles Bain, B. W. Adams.

For Joseph A. Burge for full term: Charles Clark, John Gray, Ike Hitchcock, L. P. Narvaez, Byron G. Newell, Teresa Durante, W. E. Mack, R. F. Halter, H. P. Larouette.

James H. Thoburn for full term: Adolf C. Lafrenz, Hallie Samson, R. A. Kocher, R. E. Brownell, Florence Leidig, Mary E. France, Jean Ritchie, Maude Arndt, M. Grace Glenn.

One group from a sorority will come from Stanford to occupy the Mary Miller cottage on the Point while another group will occupy the upper Hicks apartment during Easter week.

JOSEPH SCHOENINGER IS NEW CHAIRMAN OF FUND

Joseph Schoeninger of Carmel Monday accepted the chairmanship of the Peninsula Community Hospital Building and Maintenance fund. He proposes to build a compact organization of interested citizens who will present the proposed plan to the various peninsula communities.

Several influential citizens have already made substantial subscriptions to the fund and the chairman is anxious to set up a plan whereby every interested person will be given an opportunity to pledge monetary support as well as service on the part of many.

At a meeting of the campaign executive committee held Monday afternoon at headquarters in Monterey County Savings and Trust bank, Mr. Schoeninger presented a formal proposal for the transformation of the clinic to a local hospital operating association, to be controlled by a peninsula board of directors. In this proposal, W. W. Powell, president of the clinic board and representative of the Trust company stated that they had decided to close the clinic indefinitely, but after being importuned by a number of citizens and doctors, agreed to keep the institution open as a hospital for a couple of months to allow peninsula citizens the opportunity of subscribing a building and maintenance fund which, placed in escrow, would take care of improvements and operation for the first year. It has been estimated that $25,000 would accomplish this purpose. With this sum raised the building would be delivered free of debt to the communities and an open medical staff organized.

SEA SCOUTS ORGANIZE WILL TAKE VOYAGE

Yong men who have revelled in the reading of Treasurer Island and tales of the sea probably have the adventurous spirit that will impel them to take part in the formation of Carmel's Sea Scout Ship. An ex-naval commander and an amateur skipper have offered their time and services to train the Sea Scouts and a location for a complete ship's rigging has been found. After a period of training the Sea Scouts will venture forth on a boat of their own.

The Carmel Scout Committee headed by Mr. Herman Crossman will meet in the Junipero Club at Dolores and 8th on Friday evening, March 23, at 8 o'clock. Skipper C. I. Bentley of Salinas, Skipper Stanley Greeb of Monterey, Scout Executive Al Young will be present to explain what Sea Scouts are doing elsewhere.

Those who feel that the lusty blood of sea-rovers surges in their veins are urged to come to the Junipero Club this Friday evening.

COMPANY TO LAUNCH GAS WITH PROGRAM

Frank Murray's Garage announces that General Petroleum is offering a new gas, called Mobilgas to introduce which they will give a thirteen-hour program over the Columbia Chain, beginning at 7:30 a. m. next Saturday morning when more than 100 artists will take part in the program, including those of "Memory Lane."

CARMEL CITIZENS WILL DECIDE ON CITY HALL

Carmel citizens will be asked to approve bonds for the building of a city hall at the city election, April 9.

The question of where to put the hall will be decided after the bonds carry. Already opposing forces are at work, dividing the town into factions. One group would place the hall on the lot already owned by the city and now used as a park on Upper Ocean avenue, others would see the building located on city property at the dunes while still others would purchase a site where a rustic structure in keeping with the traditions might be erected. Another suggestion is the Forest theatre tract.

Another controversy being raised is whether the fire house should be built in connection with the hall.

It is the opinion of some citizens that unless a definite location is porvided, along with definite plans of construction the voters will reject the question of bonds; others are equally as sure that the bonds will be defeated should any definite plans be offered.

The city at present is paying $115. per month in rents for the hall and fire houses and Attorney Campbell states that according to his reckoning the interest on the bonds will not exceed that amount, Carmel thus being able to own a city hall at no more expense than at present.

In speaking of the proposed hall, Miss Daidee Van Brower, city clerk, said, "I have no complaint to make of my dark office but I would like adequate filing room to care for the records."

MRS. FRANK HORTON HAS PASSED AWAY

After a lingering illness, Mrs. Frank Horton passed away Saturday at a hospital in San Francisco where she had been taken some time ago for treatment. The body was shipped to her old home in Wyoming for interment. Many friends here will miss Mrs. Horton and sympathize with the bereaved family.

MONTEREY COUNCIL OF P-T A HAS MEETING

The regular meeting of the Monterey council of the P.-T. A. was held this week with 65 present, who enjoyed a basket lunch at noon.

Mrs. Goodale, the president, was in the chair, and among the speakers were Mrs. H. R. Archibald, state chairman of parent education; Mrs. A. B. Ingham, state chairman of character education; and Mrs. Robertson, chairman of extension. The first grade gave "Billy Goat Gruff," and the Seventh grade entertained with a historical pageant, both excellent numbers.

Mrs. Stott, 20th district president, explained plans for the district convention to be held in Salinas April 10-11. The public will be invited to a dinner to be held the evening of the 10th for which a charge of 40 cents will be made. Reservations must be made by the preceding day. Dr. Popenoe will speak.

NEW DEPUTY SHERIFF

Ray Moore, a resident of Carmel, was today appointed deputy sheriff for the districts of Hatton Fields, Carmel Woods and the Point.

SEES IN SUNSET MODEL PUBLIC SCHOOL

Believe it or not, the person who very likely knows Sunset School best as a visitor does not live in Carmel. She has just made her fiftieth careful inspection of the school, the visits covering the past eight years. She is Mrs. Cecile B. Hall, assistant professor of education in San Jose Teachers college. When interviewed for the Sun she was unfortunately hurrying to her car so the chat was all too brief.

"I am delighted to be able to speak of your exceptional school. In the past I have written the school expressing my deep appreciation of being able to have our San Jose teacher-students working and studying in a school like this. It is a rare privilege, for not all schools are like Sunset."

"Then you know a large number intimately?" she was asked.

"My work of inspection has taken me to some 200 schools I can not speak too highly of the unusually fine staff of teachers Mr. Bardarson has chosen. He adds so many master touches in his constant perfection of their work. It is an interesting commentary that I almost never find Mr. Bardarson in his office when I call. Unlike many principals he is rather to be found in the classroom studying the methods to gather data for later discussions or conference. So now you begin to understand why our college delights in having our student-teachers here. They get a most exceptional training along with Sunset's regular teachers."

"Then the children of Sunset are fortunate, too, by the same token?" she was asked.

"'Oh yes, we can't forget the children," she laughted, "even though my main interest is in the teaching. I can't find a finer atmosphere than Sunset affords. Here they absorb their attitudes toward life, and here next to the home they establish most of their standards. Carmel children are indeed lucky.

"For example just a few moments ago I was in a school room as the period was ended. The floor was strewn with fragments of the project in hand. Without a word from the teacher and almost magically, scores of little hands whisked all the bits from the floor and desk. Right there was a future standard set of automatic attitude for the future home, office, factory or ranch.

"Again, when I called the school on the phone, a courteous, friendly little voice handled my inquiry delightfully and efficiently. And when I later arrived another little tot was acting as the office-girl for that period. She received me with all the graces that would delight the head of any perfected business concern. You get the point. Those things don't happen in this way in all schools.

"And now I must hasten back to San Jose, and here I haven't even begun to tell you what I know about Sunset, its exceptional departments, well-done activities and your teachers! It is a liberal education to have our student-teachers thrown with the Sunset type and standard of teachers. Oh, it is just an amazingly fine school. Good bye!" and she left with a dozen unanswered questions.

Admission prices for Stabat Mater range from 25 cents in the balcony to $1.50, thus giving all who wish opportunity to hear this fine program to be given here March 29.

SERRA PAGEANT MUST BE KEPT FREE OF RACKETS

One of the first responsibilities of the executive committee must be a firm stand against the exclusion of any and all rackets in the coming Serra Pageant. Every scheme that can be devised to mulct the public and Carmel business men is going to come up sooner or later and it is going to require courage on the part of the committee to turn thumbs down on some of them.

Already it has been proposed to turn the event into something like a carnival and have some sort of carnival attractions with side shows, hot dog stands, hula dancers and various catch penny devices of more or less questionable honesty.

It has even been advocated to call the event Carmel Mission Fair which is an unthinkable, sacrilegious act. The primary purpose of the Serra Pageant is to be a memorial to the Father of the Missions, Junipero Serra, with the secondary object of raising very necessary funds to restore and perpetuate the Old Carmel Mission. Any move to give the event a title that does not include Padre Serra's name is a sacrilege and any methods to raise money along the carnival or fair lines will cheapen an event that above all things must have dignity and reverence.

SERRA PAGEANT COMMITTEE OUTLINES PROGRAM

The executive committee and members of the publicity committee met Monday evening and discussed many tentative plans for Carmel's biggest event, the Serra Pageant, to be given the latter part of August.

Father O'Connell made a brief talk and pointed out that the Serra pageant was to be a civic and not a church affair although the church was lending all possible assistance to the project to make it a success with the entire state interested.

Plans were made for a luncheon sometime after Easter to be attended by all persons interested, particularly the press and at this meeting the publicity manager, Fred V. Williams, will be present and line up the various papers in making known to the public the program.

The most interesting part of the evening was the reading of the Serra play or pageant, by George Marion, author of the libretto of the spectacle. Although the reading was more or less informal and the play not yet completed in every detail, there is no doubt George Marion is going to produce something big and fine that will go down into history as one of the best things he has ever done. The play will have only a few major speaking parts, about eight, and these will all be taken by professional friends of Marion assuring the production a dramatic success. The entire cast will require about one-hundred twenty-five people to produce.

EARL BREAUX WILL RUN FOR CONSTABLE

Earle Breaux, popular Monterey man has announced that he is a candidate for the office of constable in this district. He is well and favorably known through the district.

SPECIAL FEATURES AT OLD MISSION

A special feature of the Holy Week services this year at the Old Mission on Good Friday will hark back to the days of the good padres. A figure of Christ at the end of the three-hour services, will be taken from the large cross and taken to Asedo chapel, and laid away until Easter Sunday morning, reminiscent of what happened on Calvary on the first Good Friday.

A very cordial invitation has been extended by Father O'Connell to all good friends in Carmel to be present at any or all of the special observations on Holy Week. Friday's services will be from twelve to three.

An excellent program has been planned and Miss Fannie Reeves has consented to read palms.

Mrs. J. L. Schroeder was called to Seattle Thursday by a telegram announcing the death of her sister, Mrs. Jane Thomas. Mrs. Schroeder will remain in Seattle until the first week in April.

It's the EXTRA service that makes *Automatic Gas Water Heating* worth having

Gas costs so little when modern appliances are used. For example, an automatic gas water heater will provide hot water for shaving for fifteen mornings at a cost of one cent.

SO OFTEN in so many homes the service hot water can give is limited to meal-time kitchen use, once a week laundry use and the bath times for the family.

But modern homes and modern living demand full, all-of-the-day service of hot water automatically on tap. Hot water must render Extra Services. This is the day of gayer, lighter colored children's clothing that require almost daily washings. Silk stockings and lingerie that keep fresh and wear longer for the daily rinse in warm sudsy water. Linoleum floors, painted woodwork, tile floors—all need the preserving care of warm water cleaning.

Home economists tell us that the average home of today needs the on-tap service of hot water 150 times a day. There is but one way to have such hot water service. It is with an automatic gas water heater that keeps water stored hot within a heavily insulated tank.

Have you thoroughly gone into the details of how little a modern automatic water heater costs? Learn the facts. See your gas appliance dealer or consult a representative of this company.

MAURICE BRENNER FOR HIGH SCHOOL TRUSTEE

March 21st, 1934

Mr. Bunch, publisher, Carmel Sun.

Dear Mr. Bunch:

The writer wishes to announce his candidacy for Trustee of the Monterey Union High School at the coming election on March 30th based on the following qualifications:

During the nine years he has been a resident of Monterey, he has been actively interested in boys, boys work and all things relating to the welfare of boys and girls of high school age.

He was one of the advisors for the DeMolay and for the past six years, chairman and member of the Vocational Guidance Committee of the Monterey Kiwanis club, instrumental in the formation of a junior service organization called the Key Club, whose purpose is to assist in the selection of vocations for the young man of school age and to act in constant contact with many young men during and after their school life.

The writer is himself only so far removed from school life as to be able to use mature judgment, but still able to remember clearly those problems which confronted his school years and which the intimate contacts with boys have kept in mind.

Further, being in the canning business, and therefore a member of an industry which is one of the largest groups of taxpayers in the district, his assistance in an economical and well managed administration is indicated.

Very truly yours,
MAURICE BRENNER.

WOMAN'S CLUB

Mrs. Dudley Baird of Berkeley, will be the speaker at the monthly meeting of the Woman's Club, taking as her subject: "Violets of the Pacific Coast." This meeting is under the auspices of the Garden section. 2:30 Monday afternoon, April 2nd, at the Girl Scout House.

LOCAL SCOUT TROOP MAKES FUTURE PLANS

The local Scout troop Committee composed of Herman Crossman, (ch), Louis Levinson, Hurd Comstock, Everett Smith, Rev. Melvin Dorsett, and Otto W. Bardarson met recently to consider plans for the expansion of the local scout organization and to consider plans for the summer. The immediate formation of a Sea Scout Ship and the later organization of a Cub Pack were discussed and favorably acted upon. The local Scout organizations have expanded and progressed in a splendid manner and increased interest indicates further progress.

Misses Mary Louise Parsons and Helen McLachlan left Tuesday afternoon for a two-day stay in Sacramento.

School Notes

The Easter recess will begin Saturday, March 24, and close Sunday, April 1. Parents are requested to have their children back in school Monday, April 2.

There have been several cases of whooping cough in Carmel. Children who give indication of having whooping cough should under no circumstances be allowed to appear in public places or to contact other children. Co-operation n the part of parents will help greatly in checking the spread of whooping cough.

Parents are urged to vote at the Sunset School Trustee election, Friday, March 30.

MRS. SMITH EXPLAINS STAND FOR SCHOOL

Since announcing my candidacy for trustee of the Sunset School, several points have come up for discussion which I wish to clarify.

First, I made my announcement with the firm conviction that a public school should be administered by the community as a whole, and should not be the football of political factions or parties. For this reason I refuse to recognize any faction or party.

The purpose of this election is to select a person qualified to serve the community in a wise administration of its school affairs, who bespeaks for the children an education, academic, cultural, and character building, and who recognizes that the school exists primarily for the children.

I ask the privilege of giving this service to the community with the promise to solve each problem as it arises to the best of my ability.

CHRISTIAN SCIENCE CHURCH

"Thou shalt not take the name of the Lord thy God in vain; for the Lord will not hold him guiltless that taketh his name in vain." These words from the Book of Exodus comprise the Golden Text to be used Sunday in all Churches of Christ, Scientist, branches of The Mother Church, The First Church of Christ, Scientist, in Boston, Mass.

The subject of the Lesson-Sermon will be "Matter." Included among the Scriptural selections will be: "Trust in the Lord with all thine heart; and lean not unto thine own understanding. Be not wise in thine own eyes: fear the Lord and depart from evil." (Prov. 3: 5, 7)

The following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, will also be included: "Unnecessary knowledge gained from the five senses is only temporal,—the conception of mortal mind, the offspring of sense, not of Soul, Spirit,—and symbolizes all that is evil and perishable . . . . The senses of Spirit abide in Love, and they demonstrate Truth and Life. Hence Christianity and the Science which expounds it are based on spiritual understanding, and they supersede the so-called laws of matter." (p. 274)

INTERESTING FACTS

Friday March 30th.

Polls open 9 a. m. to 7 p. m.

Election of Sunset School Trustee.

Vote at the Fire House if you live in Carmel west of San Carlos, street. Vote at the School House if you live in Carmel east of San Carlos Street or if you live outside Carmel but in Sunset School district.

Qualified voters are those residents of Sunset School District whose names appear on the Great Register as having been registered before February 18th, 1934. No electioneering shall be carried on within one-hundred feet of the polls.

The following extracts from a letter written by District Attorney Harry L. Noland on March 12th, 1934 are of interest. They refer to those who would ordinarily be qualified registered voters.

1. It is my opinion that a voter who is unable to enter the polling place cannot vote at a school district election.

2. If a registered voter moves to another precinct in the same school district, it is my opinion he would be entitled to vote.

3. If the voter moves to another precinct in the county but not in the school district, it is my opinion that the vvoter could not then vote, regardless of the time of removing from the district.

TO MAKE IT CLEAR

In order to avoid the crowding and confusion of last year's school election, the trustees of the Sunset School District have divided the district into two precincts for the election on March 30 and have arranged for two polling places.

Directions for getting to the right polling place are simple. If you live inside the city limits and west of San Carlos street, vote at the fire-house on Sixth street. If you live in any other part of the district, vote at the polls for the precinct in which you are registered.

HEAVEN

Come listen, while my song shall show,
To those who long and thirst to know,
What warrant we today can see
That mankind ever can be free
From Adam's sin and penalties,
From woe's predestined certainties.
From Jove or Nature, Law or God,
Whoever 'tis has used the rod.

Come, listen, while I comfort you
For loss of heaven, lost with hell.
Were you so sure of what you held?
Was all your being satisfied,
To think of some forever blest
To think of some forever damned?
Did never doubt assail your heart?
Suppose you met in heaven your friend
And you knew her; would she know you?
Time makes its mark on mind and heart.
When time is not, does soul stand still?
In losing heaven do you see hell?
He sees no hell who lives therein;
With eyes fast shut, who hopes no more
Nor cares to hope: All others see a pit
Which they must shun, and shunning it
Have all they know of heaven.

But this I dream
That someday men shall know it all:
Shall find out how, and do it all
Will fashion with their bodies, consciously,
The form they wish to form, the soul they love.
Such beauty, O such loveliness
As we have only dreamed: not even dreamed
The brightest bloom upon the conquered earth
Which they are done with
Then will they clothe with immortality
The souls they loved, who loved them.
Toiled for them, brought them to their glad estate.
Give to these resurrected ones also,
The secrets fathomed finally:
The power to call out those in turn,
The souls they loved who loved them too
Back down the ages, speeds the light.
The best of each shall live again
As someone loved it,—chain complete.

$ THE LAST ROUNDUP $

By Bernard Rowntree

Here's hoping all the Carmel Dollars have been redeemed. There were 998 issued and there have been 905 cancelled and no effort has been spared to find the remaining 93 which apparently are being cherished as souvenirs in some far country.

On February first when I broadcast an appeal for the final roundup of Carmel Dollars, there had been 644 redeemed and 251 have been redeemed since that date.

Thirteen of Carmel's public spirited citizens contributed $80. and forty-seven merchants came across with $73.83 making a total of $153.83 or which $140.88 has been spent for Relief Stamps to cancel 251 Carmel Dollars.

The balance of the contributions amounting to $12.95, I have turned over to the Carmel Red Cross for their Special Employment Fund.

Anyone having Carmel Dollars can redeem them at either bank by purchasing enough Relief stamps to fill all the empty spaces on the back. Thank you and goodbye.

PLAYERS TO OFFER NEW MOLNAR COMEDY

In Molnar's "Good Fairy," to be produced by the Carmel Community Players at the Playhouse on April 5, 6 and 7, you will find a young woman who is convinced that she can bring good luck to people and goes about trying to do it.

So you can see that Peggy Converse, in this character of Lu, will have plenty of chance to entangle the lives of those about her. She even goes so far as to need a husband and to select him from the telephone book, all so that she may make him wealthy and get herself out of a high-pressure jam. The penniless lawyer she happens upon is James Roache Kelly, and his life becomes heels-over-head from then on.

Directed by Helen Ware of the stage and screen, the situations in "The Good Fairy" will be capably brought out, and dependable support may be expected from Chester Shephard, Eugene Watson, Marjorie Collis, Peter Burk and several others yet to be cast in minor roles.

"After we get through work, we'll paint the kitchen," said Bill Barnett of the Homestead Wednesday evening.

Miss Ann Martin had as weekend house guests the Misses Nina Stahl and Elinor Watkins of Monterey.

Orchestra Complete

Bit by bit, instrument by instrument, the holes in the Monterey Peninsula Orchestra fill up. The most important addition to the players of recent date are those of L. Dozier, bass tuba, and J. Cronin, French horn. These two experienced players have taken the last worry from the conductor, Michel Penha, about the coming production of Stabat Mater.

The orchestra, which will be further augmented by players from San Francisco, is now as follows: First violins: Robert Nagler, Salinas, concert-master; Leonard Cooper, Grace Knowles, Lisle Oje. Second violins: Leonie Arizala, Ernest Calley, Charles Frank, David Hagemeyer, Edna Lockwood, Frances Maas, Billy Workman. Violas: Abraham Weiss, Nancy Bragg, Geraldine Bruckman; cellos: Jean Crouch, Doris Fee, Max Hagemeyer. Double bass: Fenton Foster. Flutes: Henry Dickinson, Dr. F. V. Randol. Clarinet: Arnold Chapman. Trumpets: First, Mrs. Jack O'Hanlon; second, Bud Todhammer; third, Gordon Bain. French Horn: James Cronin. Trombone: H. Chandler Stewart, Percy Lee. Bass tuba, L. Dozier. Tympani: Roger Lee. Harmonium: Ralph Linsley.

Is New Venture

When you hear Stabat Mater you will not merely hear Fenton Foster's Glee Club and the Monterey Peninsula Orchestra, combined. You will hear a wonderful production put on by artists. Four of the finest soloists obtainable will take the leading parts. They are giving their services for the pleasure of coming to Carmel for the three days. If you see them, watch for an opportunity to make their visit worthwhile. If you can't do anything else, give them a pleasant smile for if they enjoy their stay, they will pass the word along and others of note will come to entertain us.

Treats May Follow

Should Stabat Mater attain the success it is hoped it will, other similar productions will follow. Tentative plans are being made for the Brahms Requiem and Beethoven's Ninth Symphony.

CHILDREN'S CARNIVAL WAS A GRAND SUCCESS

To the splendid cooperation of teachers and parents and the public in general is given the credit of the wonderful success of the carnival staged at Sunset last Friday afternoon by the P.-T. A.

The parade was most interesting, embracing as it did many original ideas in costumes and decorations.

Uncle Sam followed the bugles and drums and behind him came little girls in lovely costumes, pushing their doll buggies decorated to match. There were cowboys, Indians, clowns, costumes from other countries, etc., even "Mae West" and "Charlie Chaplin" had their niche.

After the parade the loud speaker from the Palace Music store in Monterey operated by Lisle Bates announced the opening of the side shows and the happy throngs chose what they wished to see. The primary grades had a most creditable "Peep show," from which they must have attained a great deal of knowledge and which were enjoyed by the sightseers.

The tumblers and acrobats entertained in the gym. Those taking part were: Norris Thompson, Betty Wilson. Ethel Warrington, Cynthia Klein, Mary Jane Dawson, Dorothea Dawson, Kathryn Hamm, Babette DeMoe, Elaine McIntyre, Martha Rico, Rosemary Turnage, Henrietta and Irene Erickson, Helen Wetzel, Dorothy McIntire, Camille Burnham, Charlotte May and Jean May.

The Hill Billies in appropriate costumes gave songs, and dances in the 4th grade room. They were: Bob Farley, Hugh Smith, Pat Crichton, Homer Levinson, Albert Cavallero, Joseph McEldowney, Lee Van Atta, Jack Pelton, Donna Hodges and Jacqueline Hodges.

A group attracting a great deal of attention were the dancers in the lunch room. They were: Eileen McEldowney, Patty Ann Ryland, Leona Ramsey and Carol Canoles who presented a doll dance. Little Carol then gave a solo Spanish dance and Eileen a solo Dutch dance. Alberta Holland, Dorothy Smith and Irene Stevenson gave two group dances. "Three little pigs," and an Egyptian dance.

Katherine Beaton, Gerald Ray, Martin Artelan, Ronald Dorsett, Jacqueline Klein, Alice Vidoroni, Pat Thompson, Doris Crossman and Tom Phillips sponsored the freak show, exhibiting the world's tallest lady, the wild man and the Jaberwocks.

Mr. Duclus with his musical saw more than delighted his many listeners.

Harold Van Doren of Monterey High put on a creditable magic show, proving the hand is uicker than the eye. He was assisted by several of the Sunset youngsters.

The hot dog stand, the second hand book stand, the home cooked food stand, the fish pond, the flower booth, the bird house booth, the calico dog booth and the fortune telling booth under Miss Fanny Reeves, all did a rushing business and added materially to the fund.

"I certainly appreciate the way everyone helped. Even people from Monterey and Pacific Grove rallied around and helped us make the carnival a success," said Mrs. Grace Plank, president of the Carmel P.-T. A. Mrs. Plank stated that the association cleared $230 from the afternoon, which will be placed in the fund for remedial health.

Lenita will be occupied by a group of young men from Stanford during Easter vacation.

Mr. and Mrs. E. J. Clark of San Francisco will come to Carmel for a part of their honeymoon.

Mrs. Markham Johnston returned home Monday evening from a short visit in San Francisco. She had driven down in company with her sister and brother-in-law, Mr. and Mrs. F. C. Price, Jr., and Mr. Price Sr., after they had made a visit at her home in Carmel.

Following their usual custom, on Easter morning, the Betsy Ann Food Shop will serve Easter breakfast at their shop on Dolres avenue. "We haven't fully decided on the menu as yet," said Mrs. Stone, "but we expect to have ham and good, fresh country eggs."
